

STATEMENT TO BE SIGNED BY THE MEDICAL DOCTOR ADMINISTERING
THE PFIZER / BIONTECH OR MODERNA VACCINE

I the undersigned

declare to have taken note of

- Article 1 of the Nuremberg Code on the duty of doctors to inform their patients.
- Article 6 § 1 of the Law on experiments on the human person regarding free and informed consent, which must be given in writing.
- Article 23 of the Belgian Constitution on the right to health protection.

I realize that the phase 3 studies on the efficacy and safety of these vaccines have not yet been completed, and that data are currently lacking in both efficacy and safety.

I hereby affirm, in all professional honour and conscience, according to the Hippocratic Oath which I have sworn, that I believe the administration of this vaccine is the best solution for Mr./Ms.
under covid-19.

I declare that I have informed my patient about the ingredients, efficacy and all possible harmful side effects of this vaccine.

In this way I declare that I have complied with my obligation to inform the patient.
